SPONSORSHIP OPPORTUNITIES for Block Kids available now!

The Greater Wichita, Kansas Chapter #120 of the National Association of Women in Construction (NAWIC) is pleased to announce its upcoming Block Kids competition. The Block Kids Building Program was developed by the NAWIC Education Foundation to introduce children to the construction industry and to raise awareness of the different career options available to them. Prizes are awarded to the top three children with the highest scores in each grade group of 1st/2nd, 3rd/4th, and 5th/6th. The design with the most overall points wins first place and moves on to the regionals. A national winner, who is selected from the regional competition winners, will receive an **Apple iPad!**

Block Kids is a FREE event open to first through sixth graders! **It would not be possible without the tremendous support we receive from all of you in the construction industry.** NAWIC is a non-profit organization, so your donations go towards the expenses for blocks, goodie bags, activities, advertising, prizes, and printing.

If you would like to assist us and promote our industry with a monetary donation or goodie bag item, please complete and return the information below. If you have questions, contact: Rhonda Gleason (316)262-6654 or rhonda@ccswichita.com
