

BLOCK KIDS

WE NEED YOU to help judge Block Kids! No Experience Necessary!

The Great Wichita, KS Chapter #120 of National Association of Women in Construction (NAWIC) is pleased to announce its annual Block Kids Building Competition. The award winning program was created by the NAWIC Education Foundation. It was developed in 1989 as a tool to introduce our youth to the construction industry and to raise awareness of the rewarding career opportunities available to them.

What is Block Kids? Block Kids is a free event open to first through sixth graders. Children are encouraged to use their imaginations to come up with construction-related projects using only building blocks and a few other interesting items. Prizes are awarded to the top local scorers. The child with highest score advances to the Regional Competition and has a chance to compete for an Apple iPad in the Nationals.

This is an experience you won't want to miss!

Come spend a few hours with us. Our volunteer judges (or, as we like to call them, Building Inspectors) evaluate the projects while spending one-on-one time with the kids. You will be impressed as they reveal the thought processes behind their masterpieces!

YES. I want to volunteer to be a Judge / Building Inspector!

Please arrive at GoCreate by 10:00 AM
