

BLOCK KIDS

REQUEST FOR SPONSORS

The Greater Wichita, KS Chapter #120 of the National Association of Women in Construction (NAWIC) is pleased to announce its annual Block Kids Building Competition. Block kids is a national award-winning program. It was developed in 1989 as a tool to introduce our youth to the construction industry and to raise awareness of the career opportunities available to them.

Block Kids is free and open to first through sixth grade students. The contestants each have 100 Legos, poster board, aluminum foil, string, and 45 minutes to design and build anything construction related. Our volunteer judges - who we like to call Building Inspectors - interview the children and evaluate their projects. There are TEN terrific prizes up for grabs! First, second, and third place prizes are awarded to the top scoring children in each grade category - 1st/2nd, 3rd/4th, and 5th/6th. The top scorer overall wins the grand prize and competes in the regional competition. A national winner is selected from the regional winners.

Block Kids would not be possible without the tremendous support of our construction community. NAWIC is a non-profit organization, so we rely heavily on you - our sponsors. Expenses for Block Kids include blocks, goodie bags, snacks, t-shirts, activities, advertising, prizes, printing, and more. To continue the program's success, we ask that you consider a partnership with NAWIC's Block Kids. As a partner, 100% of your donation goes towards this innovative event designed to get kids excited about the world of construction. Each partner will be recognized on our social media and on all Block Kids marketing materials.

YES! We would like to help educate children about the construction industry by contributing to the NAWIC Block Kids Program.
